

"I just wanted to thank you for your engagement and assistance with respect to the delivery of the RN vs RAF fixtures. I would also like to express a particular thank you to Rob the Groundsman. As always, he was extremely helpful, flexible and accommodating in his approach to all. Without him the week would have been much more difficult for us."

Defence Sector

BACKGROUND

Tivoli is very proud of its long-standing relationships with defence sector clients, delivering grounds maintenance services right across the UK via our Facility Management partners Vivo, Vinci, Amey and Sodexo.

We previously worked on five MOD Next Generation Estates Contracts for over 18 years, and we currently look after DIO Housing Maintenance and Built Estate sites, as well as a variety of locations for the defence sector supply chain.

The range of defence establishments maintained by Tivoli includes Army, Naval and RAF, airfields and training bases, along with sports and recreational facilities, barracks, married quarters and administrative bases.

We self-deliver our services via Tivoli employees who have security clearance to MOD level, and the necessary skills, processes, and expertise to operate in highly secure areas. Our knowledge and understanding of the sites, their infrastructure, and the high standards exacted by the DIO is extensive, and our commitment to first-class service delivery is paramount.

TESTIMONIALS

"I would like to offer my thanks for the excellent support of the Tivoli Grounds Maintenance Team in the run up to the National Air & Space Camp 2022. The vast amount of grass cutting and ground works which took place really did make the station look superb, and facilitated the use of large portions of the estate, particularly on the Families' and Friends' Day. Please pass on my sincere thanks to all concerned."

RAF Syerston

"Neil and his Grounds Maintenance team have been outstanding and leant in with many tasks including preparing for 3 site events and numerous fast balls, not including their normal routine works, all have been taken in their stride and the team remain professional. A well done and thank you for your outstanding efforts."

MOD Chicksands

"I would like to thank the grounds maintenance team here at Carver Barracks on the fantastic work that they have been doing. Of note the preparation that they did towards the opening of the new sports facility was nothing short of outstanding. The work is always done to a high standard and with a smile on their faces. They are a credit to the organisation."
